

Is your child ready to try a year-round swim team?
Then swim to the MACS!
All levels of swimmers welcome

MACS is a USA year-round swim club with swimmers ranging from novice through Olympic Trial qualifiers.

Our well-organized, competitive program is for swimmers five years old and up. We practice at our own pool at Parker Road and Quincy, at Eaglecrest High School near Smoky Hill and E-470, and at the Delmar Pool, a 50-meter long-course outdoor pool in Aurora.

- MACS swimmers benefit from award-winning coaches who are certified by the American Swim Coaches Association.
- MACS swim teams consistently finish among the top 8 teams in the state of Colorado. MACS has had six Olympic Trial qualifiers and a swimmer on the USA National Junior Team. Many of our swimmers also participate in high school swimming and go on to swim in college.
- We believe every swimmer who goes through our program will become successful at swimming and will develop an appreciation for how this sport teaches them to be successful in life.

Join MACS swimming and discover how swimming can be fun, exciting, and rewarding!
